

Teddy Bear Hospital

Nursery and Reception had a fabulous afternoon with medical students from St George's university this week. They learned all about how to stay healthy, hygiene and what happens in hospitals. They checked their teddies' heartbeats, applied plasters, and studied X-rays.

World Book Day Thurs 7th March

We are celebrating World book Day on Thursday 7th March with lots of exciting activities and learning about books and stories. Children can dress up as their favourite book character, or in pyjamas/onesies ready for a bedtime story! Each child will receive a special £1 book token to buy a book at Sainsbury's, WHSmith and Waterstone's along with other bookshops.

Parking

Please do not stop or wait in your car on the zig zag lines outside school. The lines are there to keep the road clear and safe for our families as they arrive at school and leave.

Punctuality

We are monitoring punctuality this term. If your child is late for school you will receive a text. Please think how you can make morning routines easier to manage, and give your child the best start to their day.

We have many families who are on time every single day. If you can share your routines, tips and ideas with others, please do.

Lunchtime Supervisor

We have a vacancy for a lunchtime supervisor. The hours are 11.30am to 1.00pm Monday to Friday in term times. If you would like to work at The Alton School please collect the job description and application form from the office.
