

Punctuality

We have been monitoring punctuality for a month and texting parents when their children were late. We have seen a huge improvement, so thank you for ensuring your children have the best start to their day and do not miss any learning.

Parents' Evenings

Parents' Evenings will be during the week beginning Monday 25th March. There will be sign up sheets outside each class next week for you to choose a time to meet with the teacher. These meetings are your opportunity to speak directly with the teachers about your children's progress, achievements and next steps in their learning. Please make sure you sign up.

Trips

Our children are enjoying extending their learning and experiences on trips this term. Thank you to the parents who are able to help, we couldn't go without you. If you volunteer to go on a trip we are relying on you to be with a group of children. So please do not commit to help if you are not sure you will go on the day. Thank you

Cycle Training

Some of our year 5 and year 6 children completed level 1 and level 2 cycle training with Bikeability this week. They learned how to check their bikes are roadworthy, and how to ride safely and responsibly on the road.

Bikeability offer free cycle training to children, and to riders who commute to school or work. Their details are on this newsletter.
